

Damascus 26 March 1949

Dear Mrs. Abd-al-Hadi al-Majidh.

Greetings: Mrs. Ra'uf delivered  
me your letter. I have given him  
all help possible and we two have become  
great friends. I have asked him  
to help me get a discharge from  
military service and he wrote to  
his friend Giovanni who informed  
him that he has completed the  
necessary procedure and delivered  
the papers to you, to be forwarded  
either to me or to Mrs. Ra'uf.

However, up to date, we have not received  
any letter from you. So I beg you to  
inform me about the truth of the matter  
through a letter addressed to me: Mawdudh  
al-Mudani, Damascus, or to Mrs. Ra'uf.

P.O. Box 95

I hope you will complete this  
procedure, and do your utmost to get the  
necessary papers.

Waiting impatiently for your reply,  
Mamamah
